Dandara Jatobá

Amante do mundo de cibersegurança, engenharia social e PNL, sou Cybersecurity Engineer no Guiabolso, uma das mães do projeto “Do Zero à Flag”, membro do Garoa Hacker Clube e formando em Defesa Cibernética. Sou do signo de Star Trek com ascendente em Star Wars trilogia original, CTF player e defensora da causa de mais mulheres na tecnologia.

Agenda

- *O que é*
- *Quais são as técnicas e ferramentas*
- *Como aprender mais*
- *Como é usada nas empresas*

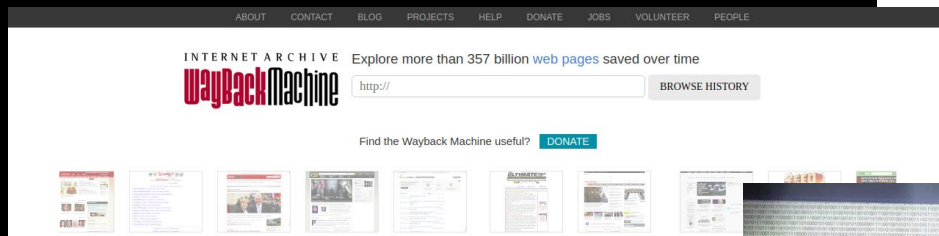

Remarks

- Não tente invadir um lugar sem autorização
- Não faça nada que possa prejudicar outras pessoas ou você
- Roubo de informações é crime
- Cuidado com a forma que você usa o que você sabe
- Seja ético
- Não use engenharia social para fins que sejam errados
